

5th National Neonatal Nutritional Study Day

Venue: The UCH Education Centre, 1st Floor West, 250 Euston Road, London, NW1 2PG

Date: Thursday 14th June 2018 | 09:00 – 17:00

This very successful multi-professional study day will aim at exploring a range of topics related to the nutritional needs of premature and sick babies. Following talks from expert speakers, participants will have the opportunity to apply their knowledge to a range of case studies in small multi-professional groups.

Chaired by Dr Nick Embleton, Consultant Neonatologist in Newcastle & organised by Dr Angela Huertas, Consultant Neonatologist at UCLH

Topics

- Principles of neonatal nutrition
- Parenteral and enteral nutrition
- NEC update
- What's new in nutrition research

Who should attend?

- Doctors working in Neonatology at all levels
- Paediatric & Neonatal Dieticians
- Paediatric Pharmacists
- Paediatric Gastroenterologists at all levels
- Paediatric & Neonatal Surgeons at all levels
- Paediatric & Neonatal Nurses
- Paediatric & Neonatal Speech & Language Therapists
- Any professional that manages the care of babies on a Neonatal Unit

Comments from last year's study day:

- "A valuable, informative thought provoking and inspiring day"
- "Excellent study day - thank you"
- "Well organised. Good range of speakers"
- "Knowledgeable speakers"

Poster submissions are welcome, even if it has been presented before. We will provide a place to display and an opportunity for a 'poster walk' during the day. Please submit an abstract (max. 350 words). There will be a prize for the best poster.

Cost:

- £125 - early bird
- £150
